

A vote of thanks from a participant.

Dear Jill and Bill

Thank you for having me and for organising special days for me and others in the Down Syndrome Society.

I always have a great time and have made special friends. My best time was when I went on camp to the Gold Coast. Movie World was great and I loved Scooby Do, Batman and police officers.

I am completing an assignment on the Down Syndrome Society and all the wonderful things they organise and do for me and lots of others.

From Tammy Lane.
