

Dear valued member,

The Down Syndrome Society of South Australia produces a monthly newsletter for members and stakeholders of the Society.

To keep our costs to a minimum we hope wherever possible to e-mail the newsletter in PDF format and reduce our postage costs accordingly. Our priority however is to ensure that everyone has the chance to be kept informed, especially as there will be many developments this year with regards to Commonwealth Government funding.

Please write your name and indicate the preferred method you would like to receive our newsletter below:
