Live band

**October 25**

Halloween

**November 15**

**December 6**

Christmas

Club Slick is a monthly dance event for adults with disabilities that encourages and facilitates appropriate dance etiquette through a structured program with a professional choreographer. It provides an opportunity for people with disabilities to socialise and develop skills, enabling increased participation in community activities. With a wide range of music from retro rock n roll to the latest hits, participants have the chance to join in set dance routines as well as free dance with a partner. Club Slick offers a cash bar for monitored drink and snack sales, including alcoholic beverages. There are a number of theme nights each year including Easter, Halloween and Christmas where many participants dress up.
